

# DECLARATION OF “INTENDED” MINOR

Students must complete a minimum of 18 credits within the list of minor-eligible classes. Please refer to the most recent version of the Undergraduate Bulletin to see the requirements for each minor. Upon receipt of the application, the Office of the Registrar will record the intended minor on the transcript. This does not certify the completion of the minor, but only notes that the student intends to complete the minor. The Office of the Registrar will verify the completion of the intended minor once the student files for graduation. Student must submit the Declaration of Intended Minor Application by the last week of classes of the graduating semester. **Once a degree is conferred, minors cannot be applied to the academic record.**
