DECLARATION OF SPECIALIZATION
MASTER OF PUBLIC ADMINISTRATION

INSPECTION AND OVERSIGHT

Students must take five classes in one of the specializations listed below. Dual specializations are permissible if the student has fulfilled the requirements of both specializations. Dual specializations can only be taken within a student's degree track. Students must take the **required courses** from each specializations and one common elective (elective that both specializations have in common). Program director approval is not necessary to declare or to switch specializations.

For a list of courses in each specialization, consult the Graduate Bulletin online at <http://www.jjay.cuny.edu/college-bulletins>.
